MINORITY BUSINESS DEVELOPMENT PROGRAM

March 25, 1985

TO WHOM IT MAY CONCERN:

I am pleased to share with you the second edition of the DIRECTORY OF MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES. The directory was compiled by the Human Rights Commission in cooperation with the Purchasing Department to assist buyers and City departments in meeting MBE/WBE utilization requirements under Chapter 12D of the San Francisco Administrative Code. It supercedes the August 1984 edition and includes a more complete listing of architects, engineers and construction companies, as well as suppliers of goods and services.

Firms listed in the directory are certified by the Human Rights Commission and meet the requirements of Chapter 12D. The Commission makes no endorsement or recommendation of the firms listed however, and all listing information was current at the time of publication.

Please note that the format of this edition has been changed to make the directory easier and more convenient to use. Firms are indexed by commodity code number as before, but in this edition, each new commodity is listed on a separate page. This will enable users to update the directory by inserting a page of new vendor information in the respective section as it becomes available. More detailed instructions are contained in the HOW TO USE THE DIRECTORY section.

We intend to publish continual updates so that this directory will remain a valuable resource in helping you to find capable and qualified minority or woman vendors/contractors to do your job. Your comments and suggestions as to how we can make the directory more useful are welcome.

For further information regarding the directory, or to correct and update information contact:

PURCHASING DEPARTMENT
Minority Business Development Program

March 25, 1985

Dear Reader:

We join the Human Rights Commission in welcoming you to use the second edition of the DIRECTORY OF MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES. This directory results from the cooperative efforts in outreach and certification by the Minority Business Development Program of the Purchasing Department and the Human Rights Commission. Our mutual goal is to identify and certify minority and women owned business enterprises capable of doing business with the City. Our special staff is prepared to provide technical assistance which is designed to enable vendors successfully compete in the City and County procurement process.

In addition the staff provides special assistance to user departments seeking certified minority and women vendors. A telephone call to our office will start the process. We are here if you need us.

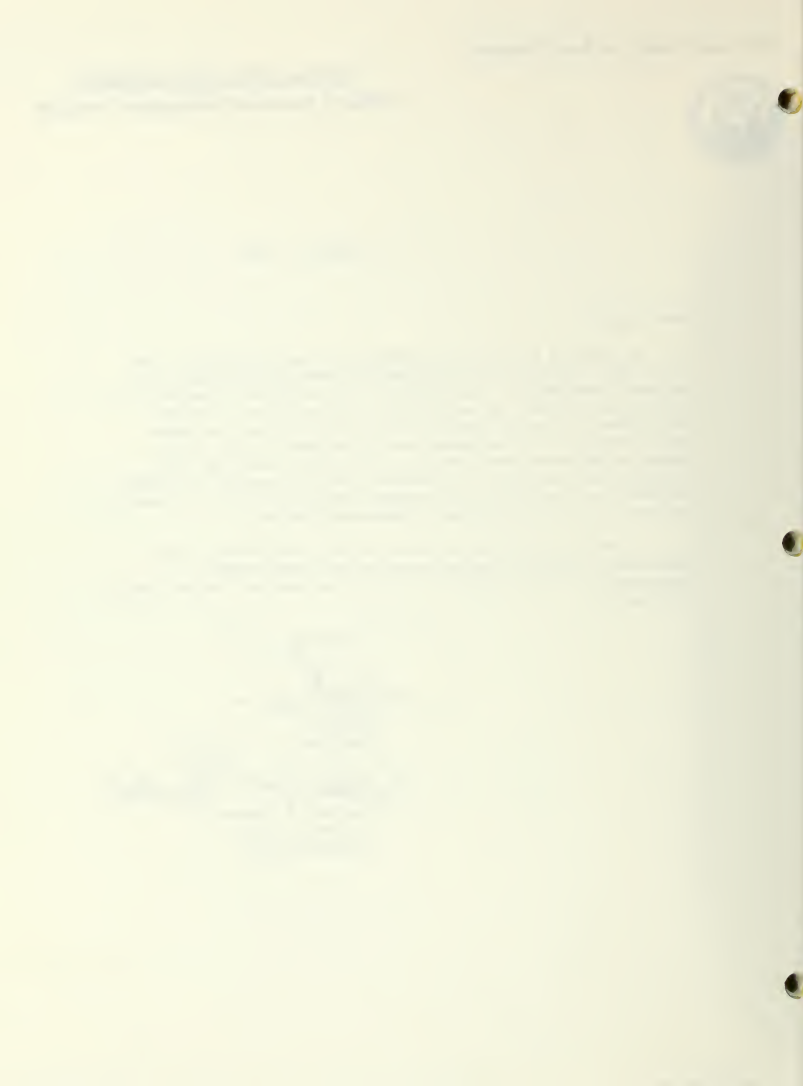

Sincerely,

How To Use The Directory -----

HOW TO USE THE DIRECTORY

WHO SHOULD USE THE DIRECTORY

This directory was compiled and designed to assist CITY AND COUNTY OF SAN FRANCISCO departmental personnel, ie. BUYERS, CONTRACT ADMINISTRATORS, MATERIEL MANAGERS, STOREKEEPERS, OFFICE MANAGERS, and all others who are in buying decision-making positions, to conveniently locate information on minority and women-owned companies to supply your product or service. All companies listed in the directory have been certified MINORITY, WOMEN, or LOCAL by the staff of the Human Rights Commission, and are eligible for bid preferences.

HOW TO LOCATE A COMPANY

The Directory has three (3) indexes organized in different ways to help you locate the type of company you need.

COMPANY INDEX.....Page 1

Alphabetical listing of firms by the first letter of the company name. Commodity codes assigned to each company correspond to the section number where the company listing will be found.

COMMODITY INDEX.....Page 15

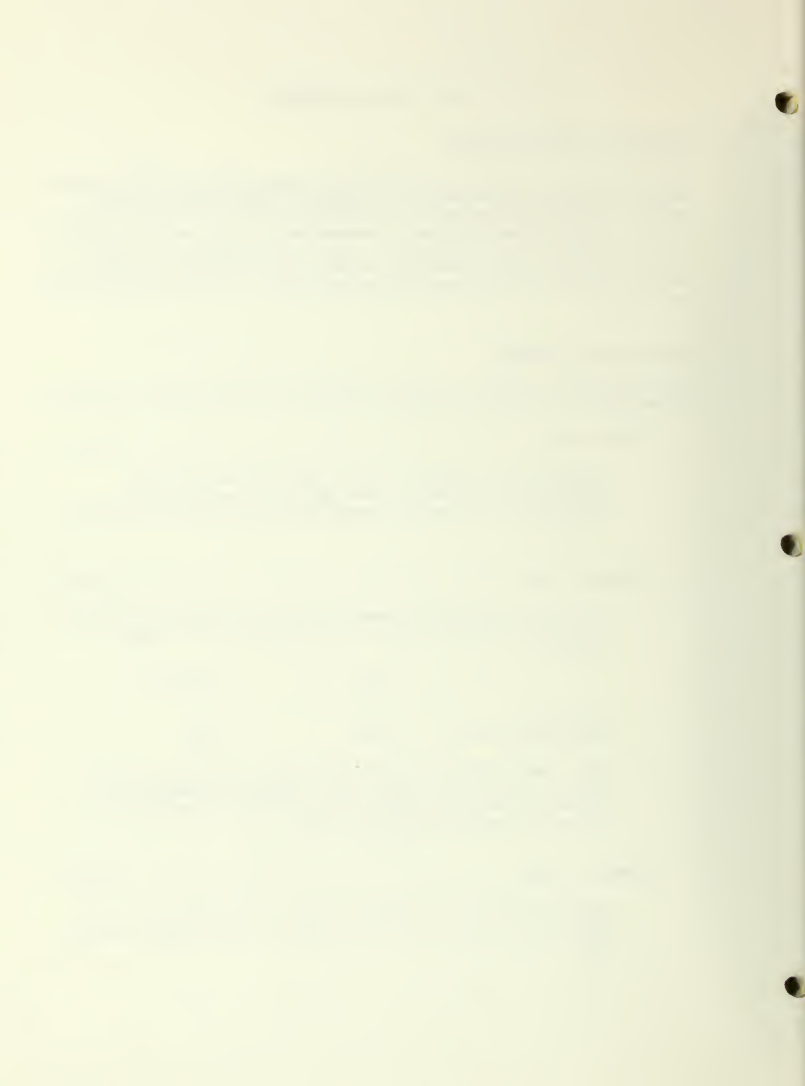

Alphabetical listing of commodities used to categorize the type of product or service which the company sells. An example follows:

	CODE	SECTION #
Accountants	111	111
Acoustical Ceiling	256	256

This example tells you that "Accountants" are given commodity code 111, and may be found in the directory in section 111. "Acoustical Ceiling" contractors are assigned commodity code 256 and may be found in section 256. etc.

COMMODITY INDEX.....Page 18

Numerical listing of commodity codes. To be used when the only information that you have on a company is the assigned commodity code.

DIRECTORY FORMAT

The Directory has been designed so that it can be easily updated. It is divided by SECTIONS. SECTION NUMBERS appear at the bottom of each page. Each SECTION has the same number as the COMMODITY CODE which appears in the section. Example:

SECTION 10 lists Commodity Code 10 companies

SECTION 65 lists Commodity Code 65 companies

SECTION 89 lists Commodity Code 89 companies etc.

To update the Directory simply insert the update pages behind the appropriate SECTION. Updated pages will be issued to users by the MBE/WBE Program Office, and will be printed on colored paper.

Information on each company in the Directory is listed in the following format:

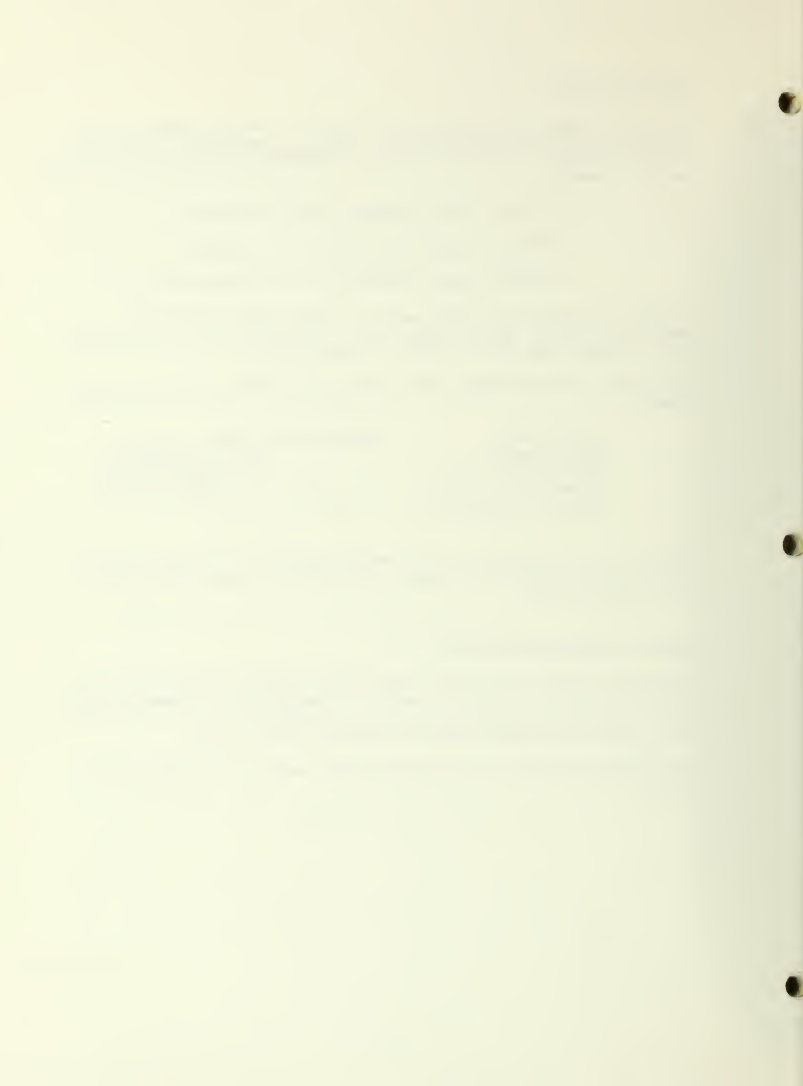

COMPANY NAME	(CERTIFICATION NUMBER)	(SIZE)
STREET ADDRESS		(DATE ESTABLISHED)
CITY, STATE ZIP CODE		(MBE/WBE CLASS)
CONTACT NAME		(TELEPHONE NUMBER)
COMMODITY DESCRIPTION		

Abbreviations for (SIZE) are: "S"- Small Business, "L"- Large Business
A table which explains the MBE/WBE CLASS CODES is located on Page 13 of the Index Section.

KEEPING YOUR DIRECTORY CURRENT

The MBE/WBE Program Office will issue periodic updates and supplements to the Directory on an "as needed" basis. All updates and supplements will be printed on colored bond paper for ease of identification. IT WILL BE YOUR RESPONSIBILITY TO INSERT UPDATES AS THEY ARE ISSUED TO YOU.

If you find an error in the Directory please notify us by calling (415) 558-4900.
